In accordance with point 2 of article 12 of Directive 2006/42/EC, the manufacturer has applied the conformity assessment procedure with in-house checks on the production of machines set out in Annex VIII to the Directive.

We hereby confirm that technical documentation for BIZON series Jaw Crushers, models BIZON-150, BIZON-300 and BIZON-450, complies with the requirements of the EU Directive 2006/42/EC.

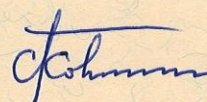

Based on the technical file for machinery, the manufacturer affixed the **CE** marking to the aforementioned product in accordance with Articles 5 and 12 of the Directive 2006/42/EC.

Notes:

- Technical assessment is carried out for the machine, which is not included in Annex IV to the Directive 2006/42/EC on dangerous machinery; with this the continuous compliance of machine with the requirements of Directive is to be ensured by the manufacturer.
- The certificate is valid only at presence of the declaration of conformity.
- The certificate holder is responsible for its correct use, maintenance and storage of technical documentation, as well as for the affixing of the CE marking.
